### People being Led by Holy Spirit

Many people are already moving to Washington DC, or God is speaking to them about it and they are considering it.

### Dr. Harold Cabelleros, Guatemala

2001- Wednesday night ministry in Seattle

“I see in my spirit that you will have a part in a great movement that will establish and **have a foothold in Washington DC.** “For you shall have a voice,” the Holy Spirit says, “For you shall have a voice in this nation and you certainly **shall have a voice in the city of Washington DC**” says the Holy Spirit. “For the anointing I have placed on your heart and your life and the testimony of your life shall affect many leaders in this nation. The days are not too far,” the Holy Spirit says, “you shall see it with your eyes. For you have a voice. For I have given you favor and I have given you an anointing and I have given you a voice to be raised up in due time in this nation” says the Holy Spirit.”

2002 - During Intercessors Conference in Portland over Pastors Ken and Wendell. He called us out of the Conference to the front and prayed over us and gave us this word, that the Lord was giving us a **“window of opportunity in Washington DC.** *There was a window opening for only a season”* and we were to walk through it.

Holy Spirit speaking to **Pastor Rauno Kokkala, Finland** as he drove through DC - 2000

He said this was the most significant word he had heard from the Lord, second only to the word he received about starting his church in Hellsinki. He thought this might be for himself. But he was very

deeply moved as he drove through the city and knew in his spirit that there would be a great church there one day.

### **Danny Bonilla 1996**

God wants to put a **world class vision** in this entire church, that everyone that walks through these doors understands that you have been called together to influence the world.

### **Dr. Phil Pringle - September 2004 "Vision Sunday"**

9:30am Service: "As I stand here I'm very aware the spirit of the Lord is going to take **your pastor's voice** and the words that he speaks and it going to use those words, not just here in Seattle, but throughout the United States. In fact, sir you will find yourself in **government circles**, influencing ministers and people of state. You'll find yourself not only in this nation but, in nations with people of, the people of Africa, I see you in North Africa talking to people of other religions and violent religions and the spirit of the Lord coming through your voice bringing peace to those people.

"I see this church standing up and rising up as an apostolic church and birthing way more than just the churches you are planning on now. God is going to **take you by surprise** and I see **great music** also rising up out of this house and the music and the prophetic word will go forth and it will speak to many."

11:30am Service: "This pastor and his wife, their voices will be heard farther afield than just in this nation. They'll be heard in the governments of other nations and in **the government of this nation**. They'll be heard in city hall. Heavenly Father you will make a way where there is no way in **the political arena**. ...right now, in the cusp of a very important moment in the **history of the USA** and the history of Australia and in the history of the world.

### **Barbara Yoder - Everett, Washington, October 20, 2005**

"**I am deploying My eagles across America.**" And then ...the Lord spoke to me that **He's deploying generals of martial eagles into Washington...Eagles.**"

### **Pastor Lynn Daniels - MFI October, Portland, 2005**

"This is a day of preparation, of positioning and re-positioning. It is a time of stretching out. Is this good enough LORD, you say? No, further, stretch out even further. You are to **broaden your horizons and increase the boundaries.**

"Schemes, strategies and blueprints have been drafted in heaven. God your Father is handing you the blue prints. Yes, **divine connections and spiritual collaborations** are being formed. Look for divine encounters and meetings between brethren and ministries to take place and accelerate."

### **MFI - Portland Oregon, October 4, 2005**

After sharing the Vision of the new DC church with the entire MFI fellowship of 700+ Pastors in Portland at a General Session of the International Conference, Pastor Wendell asked for some select prophets to come and minister over him and Pastor Gini and Pastor Ken as a commissioning for the new work. Although these men were aware of the vision, they still ministered prophetically in a powerful and revealing manner that shed new Holy Spirit breathed light on what the Lord wants to do in our Nation's Capitol and around the world.

**Dr. George Evans - MFI Portland, October 2005**

He proclaims again this day that the parade of miracles goes on and I see by the eye of faith musicians joining you, properties being presented, people coming to teach, share, evangelize, we declare that this will not be some long struggling endeavor that you wonder when the breakthrough comes, but the Lord's hand will be upon this work and upon these servants.

We declare prosperity to surprise everyone attached with the work that goes on in that city. We stand in this service of God together and proclaim blessings on this endeavor, proclaim provision, proclaim workers, proclaim Lord they shall lack in no area, financial and numerically and the vision will grow and we say Lord in the conclusion of this word out of my heart that many, many people that are high in government will be touched by this uprising -this fountain, this fire that has come to pass in their midst. Like Moses said I will turn aside and see this burning bush."

**Prophet David Schoch - MFI Portland, October 2005**

"For the nation that became an open door with windows that were full of people waving saying arrive, come bring those who are disenfranchised and those who don't know, those who are hurting and those who are in sorrow and those that are burdened with grief, open your doors and welcome them as people to become a part of the nation that I founded but now the principles have changed says the Lord. For the nation that has been opened and the Gate has been ajar and those things that have been inducements to peoples from every kindred, nation, tribe and tongue shall now be gathered into this house into this place into this habitation for another reason for I am going to reach them with the Gospel of the power of the Kingdom I have opened the gate and the flood tide shall be many says the Lord.

"This is not just a small thing. No longer think about a handful but know what is recorded time and again in the book of Revelation where it says out of every kindred, nation, tribe and tongue they're coming, and we're going to see a mass exodus brought out of the forces of evil and the powers of darkness and the clutches of the enemy and they're going to be brought into the glorious liberty of the power of the Gospel and the good news shall be heralded and none shall stifle it. No one shall hinder it and no one shall be able to impair it and neither shall there be anyone to ridicule it to the point where it's going to turn anything away from its authority and power for this is of me in the day of the Lord is at hand.

"I have not called these servants for naught says the Lord. I am going to anoint their heads with full horns of oil. I'm anointing them not just for a local effort. I'm not anointing them just for a logistical place for them to stand I'm anointing them for the world view of their God ... I will make provision. There will be finances that you shall not lack.

I will raise up those that are faithful, I will raise up those that are diligent, I will raise up those that have no personal cause of their own. "I will raise up those that shall stand loyal shoulder to shoulder, no ranks being broken. The adversary cannot break through nor achieve success.

From this day on, there is coming a new wave of blessing to My house. From this day on there's coming a new perspective. From this day on there will be a vision greater than there has yet ever been. You've heard the seed of it. You've listened to the word as it came this word shall not depart from your ears this word shall awaken you in the night and you will hear the servant of God who has responded in obedience to Me. And in hearing that word you will be reminded that your thoughts must become like God's thoughts. Your vision must become more than just local it must be global. Let it be your

confession, I am now a global believer. I have a vision for the whole world. I will not be happy with 2's and 3's. For there is a multitude which no man can number that shall gather before Me and I will bring to pass that word says the Lord.

**Prophet Ernest Gentile** - MFI Portland, Oct. 2005

"I have startled many hearts this morning. I startled Wendell. Even as it was, in the beginning I startled Philip and I said to go to the desert and meet the Ethiopian. I startled Peter when I said go to the home of the Centurion in Caesarea. I startled my early apostles by scattering evangelists northward and outward into the Roman Empire. They soon learned that though they were startled they were joining their hearts and minds to the will of the Lord that would break out of the boxes that have been created by the church.

"I will work in Washington. I have already startled people that will be pillars of such a place. I will startle all of those natural ambassadors both in this nation and from others. I see a group of a dozen or so people to be elders that are from different nations. I see their skins are different colors it will truly be like an ambassadorial apostolic place of sending and receiving, coming and going.

"The Lord would also say to those of you in this place whose minds can hardly move beyond the borders of your cities that I will startle you. I am tired of waiting. A cry of the Lord is for laborers to go into the fields. Some of you have locked the doors of your church so that your members will stay and petrify and monumentalize the activities of that church. But the Lord would say open the doors and you will find more will come in than will go out.

"You will find treasuries of the Lord's finances released. You'll find the gifts of the Spirit begin to function. Come and be startled even more by your God."

**Apostle Dick Iverson** - MFI Portland, October 2005 - Prayer

"I want you to pray with me now because we're going to make this an effort of our Fellowship. It's not just going to be City Church. We are going to go to the headquarters of the greatest power on earth, Washington DC and we're going to penetrate it with the Gospel of Jesus Christ. Ambassadors from all over the world come there and they are going to be penetrated. We're going to see a seed that is going to be planted there- it's going to be scattered to the nation. It's going to be an open door. Would you pray with me as we lay hands on them now?

*"Lord Jesus, we unite our hearts together in one accord. We bear witness to the vision that you have presented to us. We ask now that the Holy Spirit will come and cause all that has been said, all that's been released in the heart, all that's been prophesied not one word will fall to the ground, every word will come to pass.*

*"We will remember this hour when the house of the Lord is established with new power and authority in the capitol city of this nation. Lord we believe this is not another church plant...but we believe there's a destiny that's upon this house and that seed is being planted right now and we are going to join together in prayer and we are going to join together in support and we are going to join together with men and women out of our loins that will go help establish the voice of God into the government of our country.*

*"We will not concede this country to the devil we are going to believe for change we believe Lord that those senators and congressmen will be affected by the power of your presence and the word of the Lord. We ask for a special anointing on these two couples. We ask that their minds be quickened that the enemy will be spoiled even today of all of his tactics to try to hinder what you want to do.*

*“We believe Lord, we believe your word and we’re going to step out of the boat and do that which is impossible with man for all things are possible with You. Lord*

*“Seal the word now not only to their hearts but to all our hearts and that there will be a volume of prayer and support and we will see the word of God accomplished in that great city. We ask it in the name of the Lord Jesus Christ, name above every name, at that name every knee will bow and we bow now in your presence and say thank you Lord for direction, for guidance and for provision in the name of the Lord Jesus Christ. It’s going to happen, it’s going to happen, Amen.”*

**Pastor Bob Isabel - October 2005**

“Ideas are not just something of the mind but when a man lives in the Spirit of God, then it is the Spirit who gives birth to thoughts that are beyond his ability to accomplish by himself. It is in the word,

*“Eye has not seen, Ear has not heard, and it has not entered into the heart of a man the amazing things, the impossible things, the great things that only the Lord can do.”*

“Even though it may seem like a new idea, the seed of this has been planted in your lives many years ago. Has it not been step by step, and giant by giant that brought you to the place where you could even hear a word from God like you are hearing? And still with all that you have thought and all that you have heard do not put a limit on what God is intending to do through this next step of your lives.

“If you can believe, I tell you that this is only the beginning of another level of great and marvelous things that I am taking you too. This is only the beginning of what I will do throughout this nation and onto every continent of the earth. I am going to raise the level of faith and miracles until I have a harvest from every nation and every tribe and every tongue on this earth.

“Understand that what you are doing is a prototype of what I will do throughout the earth. I will tear down barriers of denominations and I will tear down the barriers of ethnicity. I will grant you favor on every hand. Even your enemies will grant you support. People from all over the globe will hear and will stand to their feet and give attention to what I am doing.

“You will find that money will be no issue. It will come from people all over the world. From places and people that you never thought it would come from. I AM is calling the monies to come and I AM is calling the laborers to come. You will reach nations in your own back yard.

“As you continue to seek the face of the Lord your God, I will bring to you those who lead and influence nations. Men and women’s lives will change as they see what I have raised up and they will take what they have seen back to places you could not go and behind closed doors you could not penetrate but I will put my presence there. I have already put the desire into their hearts. They will come because I AM is sending them.

“Get ready for what your, *“Eye has not seen and your ear has not heard.”* This is of Me says the Lord. I will grant the strength and the stamina that you will need to fulfill the purposes of the Lord your God. What you give of yourselves and what you give of your time, I will multiply it and it will be enough. I am getting ready to bring a fresh new visitation to the earth. It will not be like past visitations that came for a short moment and then was gone but “I will bring My glory and cover the earth as the waters cover the sea.”

I am the Lord and I will fulfill My word says the Lord.”
